Plant the Seed of Wholeness™

Gardening for the Soul

**“What needs to be healed so that you
can remember who you really are?”**

-Joan Borysenko

Plant the Seed of Wholeness™ is an 8-week course designed to unearth the person you most desire to be and nurture. Journaling, meditation, visualization, breathwork, and essential oils are some of the practical tools used for personal development and transformation.

Join us and learn to empower the Feminine, affirm your heart's true desire, expand your sense of self worth, recreate myths and build community.
